

HERENCIA

GLUTEN FREE

WE ARE NOT A GLUTEN-FREE RESTAURANT and cannot ensure that cross contamination will never occur. We have processes in place to minimize that happening but there is a great deal of gluten in the air and on our work surfaces. Please be aware that we use common fryer oil and we are unable to guarantee that any menu item can be completely free of allergens. Our products may contain wheat, egg, dairy, soy, or fish allergens. We do not use peanuts or peanut oil but our products may be processed in facilities that process tree nuts and peanuts.

Below is a list of items that we can modify to reduce the amount of Gluten. Please make sure you tell your server to label the item as **GLUTEN AVOIDANCE** (Menu pricing will remain the same).
